ANNOUNCEMENTS:

In order to receive information about how to receive long distance rate reductions for TDD/TTY users you may call the following Indiana Bell phone numbers: voice: 1-800-572-3077 or TTY/TDD 1-800-382-1666. They ill send you a form that needs to be signed by a physician or diologist confirming that the TDD user is Deaf. Any of the ISD audiologists will be happy to do that for the ISD community.

Cindy Lawrence Sheryl Whiteman Linda Charleboise

The PTCO Board is looking forward to having an exciting school year. We have made plans and set up goals in order to help better our students' education.

Because of our tight budget, we have decided that providing financial assistances to our students of the Indiana School for the Deaf is our top priority. For those of you who want to have our financial assistance for your professional development or other reasons other than for our students, we would strongly encourage you to seek another source through the school, grants, fund raising projects, and other organizations as much as possible.

Please fill out the membership if you are interested in becoming a member of PTCO. There is no fee for membership. However, your contributions would be greatly appreciated.

Let us work together as a team to make ISD one of the best schools in ISD by being creative, providing educational projects/activities/needs for our students.

Come and Join PTCO! **LAURENE GALLIMORE, PTCO PRESIDENT**

The ISD Adult Education Resource Room Open House is Monday, November 12, 9:30 am to 8:00 pm in Building 6, Room 223. - *Donna Harris*

The Wheelchair Basketball Team will have home games at ISD. For more information, please call #926-2741 or #879-8600.

The Special MHHI Classes have a Thanksgiving Dinner annually tied with nutrition and physical awareness. We are seeking a donation of a turkey or dollars toward a "big turkey". Please let KAY SELLERS in Middle School know of a potential turkey donation or send money to her with envelope saying "For Turkey Purchase". Thank you for your participation in this.

The special needs classes in Middle School are in need of several items. We would appreciate any donations of these items as they are essential to appropriate programming for these students. The following things are needed: plastic tubs w/lids (butter, ready-made frosting), jars w/lids, plastic film containers, sponges, buckets, toilet brush, iron, ironing board cover, hangers, wooden or plastic drying rack, old clothing for us to repair, wash, iron, & donate to Goodwill, T-shirts, sweatshirts, pop cans for recycling, puzzles (easy, up to 125 pieces), games. If you would rather donate the money for the students to purchase the items themselves that would be great. We can also pick up any items at your home or business if it is near ISD. Items can be sent to school with students to be delivered to Middle School Room G43, G44. Thanks so much for your support! *Beth Fields, Sandy Hakes, Kay Sellers, Becky Smith*

VIP (Volunteers In Prevention) will present an Alcohol & Drug Prevention Education for Indiana's Deaf Community at Fairbanks Hospital, 8102 Clearvista Parkway, Indianapolis, IN. You can choose a time that fits your schedule. Learn to live a happy, healthy, drug-free life! For more information call 842-8221 (TDD/VOICE).

The Indiana Governor's Planning Council for People with Disabilities will present Blossom Chevrolet president Bill Baas and general manager Larry Risher with a Certificate of Recognition.

Blossom Chevrolet is the first car dealership in the state, and probably the country, to provide deaf services. The company has installed three TDD machines, one each in the sales, service and parts departments. In addition, key employees from each department, including Bill Baas and Larry RIsher, learned basic sign language in a 60-day training program taught by Blossom employee Vikki Dunn. All Blossom employees will be trained to sign with deaf customers. Blossom is providing employment opportunities and community service for people with hearing disabilities, as well.

This event will take place on Tuesday, October 30th at 4:00 pm. at Blossom Chevrolet, 1850 N. Shadeland, Indianapolis.
